SUBJ: Dioxin Background Sampling Plan

Dear Ms. Tunsill:

Enclosed with this letter is the July 17, 2002, Dioxin Background Sampling Plan for the Brown's Dump Superfund Site. This work plan was submitted in response to a specific concern noted with regard to the background database collected during the Remedial Investigation (RI).

Please take this opportunity to review the above plan and provide EPA with any comments by close of business (COB) August 24, 2002. EPA is aware that the funding limitations under the Technical Assistance Plan (TAP). EPA notes that the Technical Outreach Services for Communities (TOSC) is available to provide technical assistance for Citizens Organized for Environmental Justice (COEJ).

If you have any questions on the sampling plan or other aspects of the project, please feel free to call me at (404) 562 - 8938.

Sincerely,

Wesley S. Hardegree
